# **NEC MultiSync® V321**

#### Order Code: 60002914, 60003004 (BK)

## **NEC LCD 32" Public Display**

**NEC MultiSync® V-Series Public Displays.** This product line represents a solution for customers looking for good value for money with high expectations in reliability and longevity. A LAN interface for monitoring and controlling along with an HDMI interface makes this a feature rich value product.

An ideal solution for retail signage, meeting rooms, video conferencing and other non 24/7 applications.

### DELIVERING GENUINE BENEFITS

**Digital Signage -** made easy with NEC Digital Signage Software.

Latest Interface Standards - to make sure even new signals or interfaces can be used.

**NEC Public Displays -** designed to meet your environmental requirements by minimizing power consumption and waste.

**V-Series Products -** designed to last and offer trouble-free operation. Control and monitoring features are best-in-class.

**Well structured OSD and intuitive Controls -** reduce installation cost and therefore overall total cost of ownership (TCO).

#### **OUTSTANDING PERFORMANCE**

- **HDMI** along with a LAN interface for screen control are unique in this combination in a Public Display and secure future proofness.
- With efficient Product Design and High Quality Components power consumption is minimized. Feet are optional and the user manual is available on CD to minimize waste.
- Free Digital Signage Software. MultiSync® V-Series comes with a digital signage available for free download.
- **OSD.** Information on the inside temperature through OSD and extensive user fan control are unique and secure unparalleled reliability. The displays can send alarm emails via free NEC LAN software in the unlikely event of a problem.
