

# SMS FLATSCREEN WM 3D

Different points of view.

The SMS Flatscreen WM 3D is an elegant way to extend the use of your screen regardless of the room’s architectural limitations. The SMS Flatscreen WM 3D can be adjusted almost any way you want. It is a sturdy construction that can support screens up to 30 kg. The screen can extend as far as half a metre from the wall or be placed flat against it. This is a smooth design that is perfect for flexible viewing such as in the kitchen or in the bedroom.
