

# PJ359w

## ULTRA-PORTABLE WXGA 3LCD PROJECTOR

WITH AUTO KEYSTONE CORRECTION

## Versatile, portable performance

The ViewSonic® PJ359w ultra-portable projector is a performance leader with a rich feature set at an affordable price. The PJ359w is specially designed to be compatible with widescreen-format laptops and imaging applications. It delivers 2,000 LUMENS AND 1280X800 WXGA RESOLUTION for crisp, detailed images in any lighting situation. Automatic keystone correction ensures your image is perfectly proportioned, while the preset screen modes give you the best possible picture for your projection surface. This impressive, portable projector features HDMI 1.3 connectivity and supports HD signals up to 1080p. It's easy to set up and its DIRECT OFF FEATURE allows you to unplug it and go. The PJ359w is ideal for table-top or mounted use in the office, classroom or on the road.

### OUTSTANDING PRESENTATIONS

> **Short-throw lens for large, stunning images in small spaces**

The short throw lens enables large images to be projected from short distances in small rooms with short throw distances. A screen size of 50" is possible from just 1.6m.

> **The perfect setup convenience**

The automatic vertical keystone correction (+/- 30 degrees), aspect ratio adjustment and powerful 1.2x optical zoom ensure a perfect image in any room. Adjustable feet let you adjust the image at even higher viewing angles.

> **Easy, cost-effective maintenance**

The sliding filter cover and simple lamp replacement from the top of the unit make maintenance a breeze, even when the projector is mounted.

> **Advanced connectivity**

In addition to standard connectors, this projector provides two RGB inputs to easily switch between presenters. The HDMI 1.3 with HDCP input ensures signal integrity for superior HD video and picture quality.

> **Off to Go**

The direct off feature allows the busy presenter to simply unplug the projector and go without waiting for the usual cool down phase. This feature also protects lamp life from sudden power blackout.

> **Ultra-portable at just 1.8kgs**

At just 1.8kgs with a slim design this projector is ideal for presenters on-the-go.

> **Industry leading warranty**

Enjoy full peace of mind with a generous 3 years on-site product warranty and a limited one year lamp warranty.
