

# PJD6210-WH

## VERSATILE, PORTABLE XGA DLP PROJECTOR

WITH BRILLIANT COLOUR TECHNOLOGY

## Digital clarity in a portable projector

ViewSonic's PJD6210-WH DLP® projector delivers amazingly clear images with the digital clarity of DLP's BrilliantColor™ technology. It's ideal for use in the office or bring it home for bigger than life home entertainment. With 2,800:1 dynamic contrast, and 2,200 lumens (max) this powerful projector displays crisp text and vivid images. ViewMatch™ technology adjusts colours perfectly so you enjoy rich, vibrant colours regardless of the setting. Multiple preset presentation modes, an increased  $\pm 40$  degree digital vertical keystone correction and optical zoom ensure the best possible image regardless of location. With up to 4000 hours of lamp life, low cost replacement lamps, filter-less design and a non-degrading DLP light engine, the PJD6210-WH has one of the best "TOTAL COST OF PROJECTION" ratios in the industry.

### OUTSTANDING PRESENTATIONS

- > **Bright in virtually any setting**  
Packs 2200 ANSI lumens in just 2.4kgs, and with a high 2800:1 contrast ratio (typ), your presentations are guaranteed to be vibrant even in the brightest office environment.
- > **BrilliantColor™ technology**  
Latest BrilliantColor™ Technology delivers stunning all-digital clarity with life-like colour, sharp graphics and outstanding video. The sophisticated 5-segment colour wheel enriches the yellow colour performance that is key to accurate and vivid colour reproduction.
- > **Low total cost of ownership**  
Make the most of your projector investment with long life lamps with up to 4000<sup>1</sup> hours lamp life and a filterless dust resistant design that reduces maintenance costs.
- > **Protect your investment**  
Assign a PIN code to password protect the projector from unauthorized use or theft.
- > **The perfect setup convenience**  
The automatic vertical keystone correction ( $\pm 40$  degrees), aspect ratio adjustment and powerful 1.2x optical zoom ensures a perfect image in any room. Adjustable feet let you adjust the image at even higher viewing angles.
- > **Industry leading warranty**  
Enjoy full peace of mind with a generous 3 years on-site product warranty and a limited one year lamp warranty.

**ViewSonic®**  
See the difference™
