

WAND H

The Wand H is a perfect complement to the Wizard 4 & 4U. It can be used with any source which has both a HDMI and USB port for easy BYOD wireless connection. With no software required and easy to operate, simply 'Touch to Show' for effortless casting, in single or Multi-View mode. The Wand features visual and Haptic feedback to confirm operation choice. When used in conjunction with a touchscreen, it supports full Touch-Back to your connected device. This dongle adds more functionality and control to your Wizard 4 & 4U.

FEATURES

- **Wireless HDMI/USB BYOD dongle**
- **Use with any HDMI + USB device**
- **Join in MV mode or in full screen at a touch**
- **Secure and easy to pair up**
- **Requires no software**
- **Simply connect & present**
